

EMERALD Multiplier Event on:

# Research base learning method for teaching in bio-mechatronics

**2**  
SEPTEMBER  
2022

**WHO  
can apply**

Students (BSc / MSc / PhD)  
Professors / Researchers  
Companies / R&D Institutes

**SPECIALIZATIONS:**

- Manufacturing Engineering
- Bio-Mechatronics & Robotics
- Mechanical & Bio-Mechanical Engineering
- Computer Science & Automatics
- Science of Materials

**More details**

[www.project-emerald.eu](http://www.project-emerald.eu)

Registration until 30<sup>th</sup> of August 2022

Organized by the Politehnica University of Bucharest, Romania  
in cooperation with the EMERALD project consortium partners
