The 2ndTransnational Project Meeting TPM 2
hosted by University Politehnica of Bucharest, in Bucharest, Romania
31st August & 1st September 2022

During 31st August and 1st September 2022, the second transnational meeting – TPM 2 - of the consortium of the project "EMERALD - European network for 3D printing of biomimetic mechatronic systems", strategic partnership 21-COP-0019, took place. The event was hosted by the **University Politehnica of Bucharest, Romania**.

The event was attended by representatives of the 5 partners: Technical University of Cluj-Napoca (TUCN) – Romania, University of Agder (UiA) – Norway, Bizzcom s.r.o. – Slovakia, Poznan University of Technology (PUT) – Poland, University Politehnica of Bucharest (UPB) – Romania.

In total, a number of 16 people were present from 4 countries: Romania, Norway, Poland and Slovakia.

Each partner presents the plan and status for each activity they have ownership:

Assoc. Prof. Răzvan Păcurar, TUCN, Romania presents the status of IO1 – EMERALD e-book for developing of biomimetic mechatronic systems;

Prof. Filippo Sanfilippo, UiA, Norway presents the status of IO2 - EMERALD e-toolkit manual for digital learning in producing biomimetic mechatronic systems;
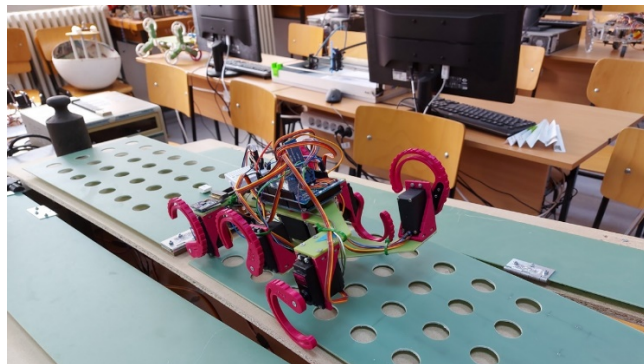

Branislav Rabara, BIZZCOM s.r.o., Slovakia presents the status of IO3 - BRIGHT e-learning VR / AR platform for programming and using of biomimetic mechatronic systems;

Assoc. Prof. Filip Gorski, PUT Poznan, Poland presents the status of IO4- EMERALD e-case studies for project based learning method used in developing, testing and manufacturing of new biomimetic mechatronic systems made by 3D printing technologies.

The financial and administration rules was presented by Assoc. prof. Răzvan Păcurar, TUCN.

Status related to the activity reported so far (timesheets + fulfilling the timesheets) was presented by all partners.

Status about financial expenses (financial balance) was discussed.
